Awards Committee  
Montford Point Marine Association Inc.  
Attention: Award Chairperson Kenny Crutcher

Mr. Crutcher,

It is with great joy that I recommend the below individual for the noted awards;

***Hall-of Fame Nomination***

In accordance with the by-laws of the Montford Point Marine Association, L. Michael Johnson is enthusiastically recommended for inclusion into the Association Hall-of Fame. Mike Johnson has served the Montford Point Marine Association in many capacities over the past twenty years. Mike served as the Chapter President of the Los Angeles Chapter involving that Chapter in a myriad of community service events. Mike was instrumental in giving the Association much needed West Coast exposure over the years participating in or organizing parade events and professional military instruction for SNCOs at the academies aboard Camp Pendleton. Mike served admirably as the National Sergeant at Arms personally ensuring that all National Meetings were conducting in strict compliance to our National By laws. Mike personal submitted a proposal to our National by Laws that formalized the Montford Point Uniform.

Mike also serve two terms as the Association's National Vice President working side by side with National President Joe Geeter bring our Association into the 20<sup>th</sup> century by vastly improving communications and establishing new chapters in Boston, Quantico, Warner Robins Macon, GA, Cherry Point and helping to revitalize chapters in Albany and Atlanta. After his two tours as National Vice President, Mike again served the Association as the National Way and Means Chair, again bringing fresh ideas of generating revenue for the Association. Mike Johnson is immensely qualified to stand by the greatest leaders of our illustrious association and hold his head high. It is without reservation that I recommend Mike Johnson to the Montford Point Hall-of-Fame.

Sincerely;

Joseph H. Geeter III
