Awards Committee

Montford Point Marine Association

Att: PNP Nathaniel Hosea

Mr. Hosea,

It is with great joy that I recommend the below individuals for the noted awards;

Hall-of Fame Nomination

In accordance with the by-laws of the Montford Point Marine Association, ***Famie Roundtree*** is enthusiastically recommended for posthumously inclusion into the Association Hall-of Fame. The devoted wife of an original Montford Pointer, Famie served as the Ladies Auxiliary National Treasurer for over 20 years. Famie has been a staunch supporter of both the local chapters in her area (MD 22, 28 as well as DC-6) attending many of their events over the years and advising at least five past National Presidents including; Sam Saxton, Gene Doughty, Jerome Milbourn, Herman Rhett, Nathaniel James and current National President Joe Geeter. Famie served not only as a wise council, but a confidant and source of information to many National Officers. Not only was Famie a regular member at the National Conventions, but she encouraged others to attend so they will have a voice within our Association. Many of her accomplishments may not be measurable but they have had a lasting effect on our Association. There are very few individuals within the Association that have Famie's long and faithful dedication to preserving the legacy of the Original Montford Pointers. Famie Roundtree is immensely qualified to be recognized by the Association as a person who made a difference in countless members' lives. It is without reservation that I recommend Famie Roundtree to the Montford Point Marine Association's Hall-of-Fame.

Special Presidents Award

It is recommended that supporter ***Samen Suy*** be recommended for a Special President's Award. During the Association year 2006-2007 Samen graciously volunteered her time again and again to support the National Office. Samen has been directly involved in the monthly updates that are sent to members who do not have an email address. Additionally, Samen has offered her time to assemble envelopes and documents that have been mailed from time to time from the National Office. Samen has also assisted the local Philadelphia Chapter in assembling their programs for their annual events.

Samen Suy is enthusiastically recommended for a Special President's Award and is most deserving of this individual recognition.

Respectfully submitted;
