Quantico Ladies Auxiliary Makes Dough by Selling Doughnuts

The Quantico Ladies Auxiliary surpassed their goal to sell 25 dozen of doughnuts and actually set a record by selling 100 dozen doughnuts on Saturday, 15 October 2011, in just a few hours to the local community. We extend our sincere appreciation to our new sponsor, the Family Dollar Store, Ashdale Plaza in Woodbridge, VA, where the doughnuts were sold. The Krispy Kreme doughnut drive is a fundraiser in support of the building of the Montford Point Marine Monument project. It also served as a means to provide visibility of our heroes, the Montford Point Marines.

The Quantico Ladies Auxiliary Chapter President, Dr. Cladie Spears goes on to say, “First of all, I want to personally thank Karen and Catrina for making this day possible. They did not mumble a word when I jumped out there and said we were going to go from selling 25 dozen on one day to selling 100.

I also want to thank our youth (Catrina's daughter, Micayah; my daughter, Jermaay; and two family friends, Miriam and Ahron) for sacrificing their morning to support the efforts of the Quantico Ladies Auxiliary, Thank You!"

It gives me great pleasure to report our Motto: "Working Together Works" stands true! We sold 100 Krispy Kreme Doughnuts (certificates & boxes of doughnuts) and received three applicants for chapter membership; all in less than four hours! This effort was lucrative with very little logistics required. Therefore, the Quantico Ladies Auxiliary will continue to take pre-orders for certificates and doughnuts until 27 October 2011.

In a challenge to all MPMA, Inc. Chapters, Dr. Cladie Spears stated, "Just imagine if we were able to pull all our Chapters together to sell doughnuts in different locations on the same day? WOW is right!!!"
